Office of the President

December 13, [REDACTED]

Mr. [REDACTED] FERPA/PII Redaction

VIA ELECTRONIC MAIL

Dear [REDACTED] FERPA/PII Redaction:

I hope this finds you doing well. I have just learned the status of your daughter's application, and I wanted to let you know. The Admissions Committee has decided to defer a decision in her case until the regular decision period in the spring. A letter indicating this will be mailed to [REDACTED] UID_00001995061235 in the days ahead.

I know this is not the news you had hoped for, and I share your disappointment. [REDACTED] UID_00001995061235 should not be discouraged, though, as she will continue to receive careful attention from the Admissions Committee in the spring. With you, I hope it will be possible to have her with us here at Georgetown.

You have my very best wishes throughout this holiday season.

Sincerely,

A handwritten signature in dark ink, appearing to read "J. DeGioia".
